## Contest Looms As Write-in Seeking School Board Post

Byron K. Miller, Floriston resident and clerk at the state quarantine station here, has announced he will be a write-in candidate at the May 18 election for trustee in the Tahoe Truckee Unified School District.

Previously announced was George (Bud) Zorich of Soda Springs, whose name will appear on the ballots.

Zorich was appointed some time ago to replace Walter A. Loynd, Truckee, resigned, and since Fred Pedley, another board member, has moved to Truckee from Soda Springs, the appointment of a member to represent that portion of the district was decided upon.

When the district was formed a "gentlemen's agreement" was made wherein one representative from each of the elementary schools of the district would be on the governing board, with the exception of Truckee, where there would be two representatives, since the high schools as well as an elementary school are located here.

However, there has been no representative from Floriston and Miller was asked to be a candidate from that section. His election would provide that area representation, but at the same time it would eliminate a representative from the Donner Summit region.

Reg Smart and Pedley are currently on the board from Truckee while Denis Sach is the Tahoe City member and Jack Felte represents Kings Beach.

## Sportsmen Name Officers On Friday

Members of the Truckee Outdoor Sportsmen will assemble at Capitol Hall tomorrow evening at 7:30 o'clock for their regular session with the principal order of business being the nomination of officers for the coming year.

Jack Waggoner, president of the organization, will preside at the meeting.

Other matters of importance to the sportsmen, including the forthcoming fishing season which starts May 19 in this district, will be discussed.

In view of the importance of the approaching year, during which local sportsmen will combine efforts to have seven miles of the Truckee River reopened to unrestricted legal fishing and to keep a watchful eye on the progress of the Washoe Project in relation to fish life, all sportsmen are being urged to affiliate with the organizations and attend meetings.

It is pointed out by officials of the group that the influx of people during the next few years as predicted as a result of the new highways and the 1960 Winter Olympic Games, a stress may be placed on the natural resources of the region and every step possible must be taken to build up and protect these assets.

It is hoped that a good turnout will attend tomorrow's meeting to indicate the support the sportsmen will have.

## LICENSE SUSPENDED AT SQUAW VALLEY

SACRAMENTO— Squaw Valley Lodge, will have its privilege to sell liquor suspended for five days, probably next week.

Deputy State Liquor Director Malcolm E. Harris imposed a five day suspension after the Squaw Valley Development Company, operators of the premises, waived hearing on charges of sales to minors, permitting minors to consume liquor, and possessing unbroken distilled spirits bottles.

Because the company waived hearing, Harris suspended ten days of a fifteen day suspension on condition that there be no further violations. The penalty is effective upon service of the notice.

## OES WILL INITIATE AT TUESDAY MEET

The regular meeting of the Truckee Chapter of O. E. S. will meet on Tuesday, May 15th, at 8 p.m. with Dorothy Rose as general chairman.

There will be an initiation and the Deputy Grand Matron of the 12th District, Margaret Spring of Auburn, will again visit the chapter. All members are invited to attend.

## All-Officers Party For Eastern Star Saturday

Truckee Chapter O.E.S. No. 116 will hold it's annual "All Officers Party", in the Masonic Temple, on Saturday May 12, at 8 p.m.

The theme of the evening will be a "Page from the Ages". Dorothy King, P. M., is chairman for the evening and promises good refreshments and a hilarious program. All members of Eastern Star are invited to attend and a special invitation is extended to all officers of other chapters.

## Lucille Cross Dies In San Francisco; Rites In Oregon

Funeral services were held at the England Mortuary in Eugene, Oregon, Wednesday for Mrs. Lucille Cross, 40, a prominent Truckee and Tahoe City resident for the past 12 years who expired at a San Francisco hospital Sunday morning.

Mrs. Cross had been in ill health since she was seriously injured in an automobile accident in Truckee several years ago. She had been undergoing specialized treatment and was on a periodic trip to the bay area when she was stricken fatally.

The deceased was a native of North Dakota but had spent most of her life in Eugene, where her father, Ira O. Cross and a sister survive.

Mrs. Cross was associated with her husband, Charles Cross in the operation of the Truckee Tahoe Lumber Company here and at Tahoe City.

Sincere sympathy of the community is being extended to the surviving members of her family.

## TWO ARE HELD AFTER BURGLARY HEARING

James Haughney and William Marshall who were arrested last week on a charge of burglary, were held to answer to the superior court when they appeared before Judge F. W. Wilson yesterday.

The two were arrested after they are alleged to have broken into the N. F. Dolley home on Donner Lake where items valued in excess of $200 were taken.

District Attorney Vernon Stoll handled the prosecution.

## ASSESSORS WILL BE HERE NEXT WEEK

County Assessor William Tamblyn announced that his staff will be at the justice court offices in Truckee from Tuesday through Friday, May 15 to 18 from 9 a.m. to 1:30 p.m. to answer any questions regarding local property assessment. Veterans may apply for their exemptions at that time if they have no already done so.

Mr. and Mrs. Tamblyn were here yesterday.

## CSEA LADIES NIGHT SLATED SATURDAY

Members of Donner Chapter C. S. E. A. will be hosts at a ladies night party to be given in Smart's Saturday evening, May 12th, their wives and other guests sharing the gala evening.

Darrell Knoefler, president of the organization said that the affair will begin at 8 o'clock with a smorgasbord, followed by dancing to the music of the Pine Tones.

## Veteran Railroader Is Honored With Surprise

Twenty children, grandchildren and other members of his immediate family gathered at the home of Joe Gini last Thursday evening to honor him at a surprise party on the occasion of his retirement after nearly half a century with the Southern Pacific Company here.

A buffet dinner with a huge cake highlighted the evening and the honor guest was presented with a huge easy chair as a gift.

## Brownies, Girl Scouts Will Honor Mothers

The mothers of members of Brownies Troop No. 1 and Girl Scouts Troop No. 2 will be honored at a tea to be given in the Wyethia Club building tomorrow afternoon, May 11.

The younger girls will entertain their mothers in the hour of 2:30 until 3:30 o'clock and the Girl Scouts will be hostesses from 3:30 until 5 o'clock. The announcement of the coming event was made by Karen Smart.

### *Varnums Have Girl*

Victoria Marie Varnum, seven pounds, 11½ ounces, arrived at the Tahoe Forest Hospital Saturday, May 5th. She is the new daughter of Mr. and Mrs. James Varnum of Tahoe City. Dr. Prescott of Kings Beach was the attendnig physician.

## Vehicle Accidents Send Victims To Truckee Hospital

Joseph (Mickey) McKay, 48, Truckee, is recovering from a broken leg suffered in an accident on the main street here Saturday night at 9:35 when he was struck while walking on the highway by Tom Dolley, Jr.

McKay was taken to the Tahoe Forest Hospital by Truckee ambulance for treatment. Patrolman E. R. Meixner made the investigation and no citation was issued.

Cars driven by Mrs. Dorothy Fordham and Frank Giovannoni, Jr., both of Truckee were damaged but no one was injured in a collision on High Street Saturday afternoon.

Daniel Callahan, Sacramnto, suffered minor injuries in a hit and run accident near Kingvale at 10 p.m. Saturday.

Keith Tettic, Kearns, Utah, and Charles Brinlee, North Highlands, escaped injury when their cars collided six miles east of Truckee Friday afternoon. Brinlee was cited for being on the wrong side of the highway.

Jesse G. Hayne, Oakland, was injured Monday at 10 p.m. when his car went off the highway six miles east of Truckee and overturned.

Roderick McDonald of Wisconsin was taken to the local hospital by Truckee ambulance after his car and a truck collided near Trailsyde Lodge Monday afternoon. His condition is not serious.

Dorothy Niece of Reno was taken to the hospital Saturday at 9 a.m. after her car collided with a PIE truck driven by Robert Binkerd of Salt Lake City. She was later released.

## Scouts Are Feted At Rotary Meet At Tahoe

TAHOE CITY— The Tahoe City Rotary Club held its regular weekly dinner-meeting on Tuesday, in the Tahoe Inn as usual. President Steve Korich presided over a gathering of thirty-five members, one visiting Rotarian and two guests. The visitor was Howard Griffith, of Tahoe and Woodland, and his guests were Don Robinson and Chester Hunt of the Rubicon Park area. Tahoe City member, Basil Kehoe, acted as program chaiman.

At this meeting the club entertained local Scout Master Kenneth Marvin and fifteen of his resident boy scouts. The major entertainment was put on by a high school student, Charles Kushman, who played several piano numbers, and also accompanied the singing of three songs by the boy scouts, as well as singing by the entire Rotary attendance.

George Kehlet, manager-owner of Meeks Bay, and Fred Kilner, Homewood realtor, were both present at this time for their first Rotary attendance this season. Kehlet is only recently back from wintering in Palm Springs, while Kilner's winter home is situated at Laguna Beach. Mr. and Mrs. Kilner quite recently returned from their last winter's tour through Europe.

## *LOCAL GIRLS ATTEND DISTRICT MEETING*

The 30th Annual Y. M. C. A. sponsored Older Girls' Conference held at Richardson Springs on May 4, 5, and 6 was attended by delegates from 35 high schools, one of which was Tahoe Truckee. The five seniors and two junior girls who comprised TNT's delegation were Virginia Speeter, Sharon Little, Clarita Richards, Judy Loynd, Duane Pomin, Jude Commagere and Judy O'Neill.

The purpose of the conference is to provide girls with an opportunity to join together and discuss youth's problems and activities, past and present and future.

## Warning At Summit Rail Crossing Is Being Studied

The possibility of installing a flashing signal at the Southern Pacific crossing on the Ice Lakes road at Soda Springs is being studied by the county road commissioner.

The crossing is described as dangerous without a warning light and the S. P. has requested the board to make the study. The system would cost an estimated $7,280, half of which would be paid by the countu, the other half being divided between the county and the state.

## SUNBEAMS

By WALTER M. BARRETT

The music festival, presented last Friday by the children of the Tahoe Truckee elementary schools was one of the most enjoyable programs ever held here and should have been witnessed by everyone in the district. The program reflected long hours of study and training and was a real indication of the progress being made in the schools. The costumes, and in fact every detail, was painstakingly prepared and earned the applause and praises which resulted. From the tiny tots to the sixth graders it was a fine show.

The approach of spring and the speedy increase in traffic over the present inadequate highways of the region are resulting in a subsequent increase in the number of motor vehicle accidents. The count of from six to ten mishaps every week in the area indicates that motorists are not exercising proper caution. Speed, illegal passes, carelessness and driving on the wrong side of the highway are the principal contributing causes of these avoidable accidents and it behooves every driver to be doubly careful.

## Funds Approved For Olympic Plans

Funds and authorization for the Squaw Valley Organizing Committee, headed by Prentice C. Hale of San Francisco, to proceed in preparation for the 1960 Winter Olympic Games were voted at a meeting of the California Olympic Commission in the office of the chairman, Charles R. Blyth in San Francisco Tuesday.

Hale and Alen E. Bartholemy, executive director and William Orrick, Jr., attorney of the planning committee, reported on progress being made to secure required lands and outlined briefly a contemplated program.

The contract with the organizing committee was extended to January 1st, but a full progress report must be made available for the International Olympic Committee this fall.

It was also voted to enter a contract with division of beaches and parks, subject to the approval of the department of finance, as required under terms of AB 1 covering appropriation of $4,000,000.

Commissioners present included Blyth, Reese Taylor and Walter Barrett. Others attending were P. K. Macker, executive secretary of the commission, John M. Peirce, director of the department of finance and Joe Allen who represented Commissioner Allen D. Christensen, who could not be present.

## Car Derailment Halts Rail Traffic On Summit

Southern Pacific tracks just east of Norden, blocked Saturday when a single freight car was derailed, were cleared early Sunday and traffic has returned to normal, it was announced by the chief dispatchers office in Sacramento.

Trains were subject to delay some 10 hours after the mishap, which caused extensive damage to a snowshed.

### *Daughter for Kings*

Ella Mary King, daughter of Dr. and Mrs. Ben R. King was born Tuesday afternoon at 2 o'clock at Sacramento and weighed eight pounds, seven ounces on arrival. Mrs. King and Ella will join other members of the family here early next week.

### *Barbers To Sparks*

Mr. and Mrs. Robert Barber and children are leaving here to make their home at Sparks, Nevada where he will engage in logging.

The family has lived here for a number of years and their friends will regret their departure.

Coffee is the largest income producing commodity of Haiti.

## Dial Phones For Tahoe City Will Be Installed In '57

TAHOE CITY— Tahoe City is going to get dial telephone service early next year.

Announcement of the project was made today by Pacific Telephone Manager C. F. Berlenbach. He said the company has bought land in Tahoe City that will become the site of a new dial equipment building.

The new building will go up on the corner of Tahoe and Grove streets. Construction is due to start this summer.

Berlenbach said an exact date for start of dial service has not been set and won't be until the project is further along. However, he said present plans call for inauguration of the service next spring.

Berlenbach also announced that Tahoe City customers will get new telephone numbers once the change to dial is made. The new numbers are necessary to permit proper functioning of the dial equipment and also fit into a nationwide numbering plan now being established across the country.

The numbering plan is one of the keys to direct distance dialing — a system that will permit telephone customers to dial their own long distance calls to many places across the United States.

However, it may be some years yet before such direct distance dialing is available in Tahoe City.

## DATES ANNOUNCED FOR ROUNDUP OF PRESCHOOL GROUP

The summer round-up for all preschool children will be held according to the schedule listed below. The school nurse, Mrs. Charlotte Patnoude, will assist the doctors for physical check-ups of the children. A member of the school faculty will be present to get information for school records about children who will enter kindergarten or the first grade in September, 1956.

Parents are asked to bring a birth certificate for each child who is to enter school. Children must have reached their fifth birthday on or before December 2, 1957 to enter kindergarten. If additional information is required about this program prior to the dates listed below, parents may consult with the school principal.

Truckee Elementary: May 15th, 1956, 9:30 a.m., Dr. L. D. Nelson.

Donner Trail: May 15, 1956, (at Truckee Elementary.

Tahoe Lake School: May 18th, 1956, 9:30 a.m., Dr. Allen Sklar.

Kings Beach School: May 18th, 1956, 10:30 a.m. Dr. Sklar.

## MOTHER OF TRUCKEE WOMAN SUCCUMBS

Mr. and Mrs. Stanley Zwarg returned last week from Fontana where they attended last rites for the latter's mother, Mrs. Mamie Horn, 82, a frequent visitor here, who expired following an illness of two months in San Bernardino. Funeral services were held at Fontana April 25th.

A native of Kansas, Mrs. Harn had spent many years in California.

Besides her daughter here, Mrs. Horn leaves one other daughter, Mrs. Marie Burrell and a granddaughter, Mrs. Ruth Marks, also well known here but residents of southern California.

## BABY HURTS HEAD IN 2-STORY PLUNGE

Three year old Jimmy Hallahan, son of Mr. and Mrs. Jack Hallahan of Kings Beach, returned home Tuesday from the Tahoe Forest Hospital after being treated for head injuries suffered in a fall from the second floor of his home last Saturday. Dr. L. D. Nelson treated the boy.

### *Daughter Is Born*

Mr. and Mrs. James Van Sickle are the parents of a baby daughter born at the Tahoe Forest Hospital at 12:18 a.m. Monday, May 7th. The little girl weighed six pounds, 12 ounces. She is the granddaughter of Mr. and Mrs. Eugene Montano of Truckee and her father is in the U.S. Navy. Dr. L. D. Nelson was in attendance.

## School Board Meet Attracts Crowd As Budget Discussed

The large attendance at a meeting of the governing board of the Tahoe Truckee Unified School District Tuesday night indicated the mounting interest in school activities. It was estimated that between 60 and 70 visitors were present.

The board discussed the budget for the coming year, accepted resignations from some of the non-certified employes and employed others.

A policy was adopted in which agendas of meetings as well as the proceedings will be furnished the Sierra Sun each month.

Announcement was made that schools will recess for the summer on June 8th with graduation exercises at 8 p.m.

The Junior prom wlil be held at the Riverside Hotel on May 25th.

The annual high school music festival is scheduled for Friday at 8 p.m. with James Pringle, music teacher and Frank Ratliff, drama instructor, in charge.

Stephen Marvin was employed to teach French and mathametics in the junior high grades and Mrs. Helen Rauscher, whose husband is in business at Sunnyside, was employed as sixth grade teacher at Tahoe Lake school.

C. M. Armstrong has been employed as night janitor at the high school and the resignation of Harry Savage as custodian there was accepted. Mrs. Sam Costa's resignation as assistant librarian was also accepted. The family is moving to Reno. William Newell of Kings Beach was employed as custodian and store keeper.

A contract was approved with the Sacramento College to hold classes at the Tahoe Lake school from July 9th to August 17th.

## HOURLY REPORT ON ROADS IS STUDIED

SODA SPRINGS— Members of the Northern California Ski Lift Operators Association meeting in Sacramento last week with state officials from the division of highways and highway patrol as well as state chamber of commerce officers, offered a proposal that an hourly road and weather report be broadcast during winter months for Highways 40 and 50.

This they pointed out would eliminate the unsatisfactory delayed reports often heard during past winters and would give ski enthusiasts as well as other motorists valuable information.

Milt Hogle of Soda Springs Ski Corporation presided at the meeting.

Further study of the hourly report project is being made.

## BEN TONINI IMPROVES AFTER LONG ILLNESS

Mr. and Mrs. Bob Tonini of Tahoe City have returned following a trip to Morro Bay where they spent a week with the former's father, Ben, a former well known Truckee resident. Although he had been quite ill, the elder Tonini is reported to be greatly improved in health and is looking forward to a visit with friends here in the near future.

His many friends are hopeful that his recovery will be soon and complete.

## MUSIC FESTIVAL AT SCHOOL TOMORROW

"Music for You", the annual spring concert of Tahoe Truckee High Schools will be presented at 7:30 p.m. Friday, in the high school gymnasium.

The high school chorus, the junior band, the senior band - all under the direction of James Pringle will present a varied program that includes both classical and popular music. The public is cordially invited to attend this special event.

Included on the program is a short comedy presentation by the drama class. JoAnn Palmer and JoAnn VanHooser will act out the roommate problems of Ruth and Rosemary in "Girls will be Girls". This is directed by Frank Ratliff.

### *Son For Goddards*

Mr. and Mrs. Donald Goddard of Tahoe City became the parents of a son born Wednesday morning at Tahoe Forest Hospital. The lad weighed 7 pounds upon arrival and Dr. L. D. Nelson was in attendance.

## New Type Service For Tahoe Mail Will Be Launched

A new type of mail service will be inaugurated in the Truckee and Lake Tahoe area beginning June 15th, it has been revealed by Postmaster E. C. Bavier of Truckee.

Mrs. Bavier is in receipt of an advertisement for a highway post office service which will originate in Truckee and circle Lake Tahoe, going via Crystal Bay, Brockway,, Kings Beach, Tahoe Vista, Carnelian Bay, Tahoe City, Tahoe Pines, Homewood, Chambers Lodge, Tahoma, Meeks Bay, Emerald Bay, Camp Richardson, Tahoe Valley, Al Tahoe, Bijou, and State Line to Zephyr Cove, a distance of 62 miles and back, seven times a week.

**May To September**

The service, according to the notice would be operative from approximately May 16, but not earlier than May 1st, to approximately September 15, but not later than September 30th, each year.

The schedule calls for the mobile post office to leave the Truckee Southern Pacific depot at 6 a.m. and arrive at Zephyr Cove by 10:15 a.m.; leave Zephyr Cove on the return trip at 4 p.m. and arrive at Truckee at 8 p.m.

The successful bidder will be required to provide one highway post office vehicle. Certain specifications are demanded in the vehicle and this information may be obtained from Mrs. Bavier.

**Route Considered**

A star route between Truckee and Camp Richardson is being concurrently advertised. Information on this project is also available through the Truckee postmaster. Bids on this star route should state the rate from the same period as that of the mobile post office.

## Precipitation Up To Record Season

Rain, and rain mixed with wet snow which started falling in this area last Thursday and which has continued each day since that time has resulted in 1.92 inches of precipitation to bring the total for this year to within half an inch of the record winter of 1951-51.

During that entire season only 49.50 inches were recorded and so far this season the total is 48.99.

Precipitation for this month is already 1.92 inches and the normal for the whole month of May is only 1.08.

Four inches of new snow fell on Donner and the chain control was enforced for a short time Monday morning.

## MORHAIN NEW 20-30 DISTRICT GOVERNOR

James Morhain was elected district governor for Nevada and this northern section of California at the weekend convention of the 20-30 Clubs held at Yerington.

Morhain will assume his new duties at the June 17-22 convention of the organization to be held at Sacramento.

Climaxing his election, Morhain was also awarded an outdoor barbecue.

Others attending the sessions at Nevada were Tom Patterson, Bob Tonini, William Curran, Jack Miller.

## Funds From Local Court Go Into County Coffers

Fosten Wilson of the Truckee Judicial District Court sent to Elma Hecker, Nevada County treasurer during the month of April the following amounts: General, $75; Salary, $8; Special Road Improvement, $2,300; State Vehicle Code Sec. 733, $106. Total: $2,489.

## Athletic Club Meets On Monday To Form Team

At a meeting of the Truckee Athletic Club on Monday, May 14 at 7:30 p.m., a discussion will be held relative to the formation of a baseball and softball league.

Everyone interested in either project is urged to attend the meet which will be held at the elementary school with Dave Morey presiding.

Work on the local ball park has been started but more volunteers are needed to complete the work and everyone willing to help is asked to be at the park Saturday.

## FIREMEN GAIN $600 FROM BENEFIT HERE

More than $600 is believed by Chief N. F. Dolley to have been cleared from the benefit dinner and show sponsored by the Truckee Volunteer Fire Department and held last Saturday at the high school cafeteria. More than 300 enjoyed the fine dinner and applauded the show.

Much of the food and all the labor which went into the affair were donated.

## AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO -(CNS)— One of the jobs of the Industrial Accident Commission is to assist in the prevention of accidents in industry. While Commission has had some success in the prevention field, nevertheless, accidents keep on happening .

In a report made to Governor Goodwin J. Knight, the Commission outlines some of the preventable causes of industrial deaths, most of which were unnecessary had the proper precautions been taken.

Outlining that 48 persons died in on-the-job accidents during one month of this year, the commission describes some of the accidents as follows:

A worker was pulling a load line from the crown leads of a pile-driver toward a concrete pile. He was electrocuted when the load line contacted a 12,000 volt energized wire.

A refrigeration fitters apprentice was electrocuted when he grasped the wire rope slings on the hoisting hook of a mobile crane as the boom contacted a high voltage line.

A road construction worker was pushing a tree trunk out of a creek-bed with a bull-dozer. The tree trunk slipped back over the blade, striking the operator in the head. There was no canopy guard.

A heavy duty repairman elevated a scraper about two feet to weld strips on the bottom. He blocked the body and apron of the scraper, but not the apron arms. One of the arms fell on his head.

A carpenter fell ten feet to a concrete floor when a scaffold platform slipped.

A palm tree skinner fell to his death when his safety strap came loose.

A road construction bull-dozer operator was walking along a cat road when he either slipped from the road or was knocked over the edge by a rock slide. He landed on rocks 30 feet below.

A truck driver was standing against the head rack behind the cab of his truck while logs were being loaded. The loader swung a log onto the truck, then bumped it to get in position. The log slid forward and struck the driver, pinning him against the head rack.

A sawmill pond scaler was standing with his back to the log deck when several logs on the lower part of the deck started to roll. Although he was not in danger, witnesses shouted a warning and he became confused. He jumped in the pond and was drowned.

A power truck driver in an airplane manufacturing plant set a block of wood on the floor-board of his truck for a foot rest. As he was driving through the plant, the block became wedged on the accelerator control. In trying to free the accelerator, he lost control of the truck, which smashed through the closed gate of a freight elevator, carrying the drive into the pit 18 feet below.

The bottom head of a new steel tank failed during a hydrostatic test, releasing over 700,000 gallons of water. A welding supervisor was thrown from the tank supporting sturcture, and fell 100 feet to his death.

A 14-year-old student, employed part-time by a private school, was crushed to death while trying to pull a stalled bull-dozer out of a ditch. He and another boy coupled a tractor to the bull-dozer, and although he was not authorized to operate farm machinery, he climbed onto the tractor and attempted to pull the bull-dozer free. The tractor flipped over backward, killing him.

## CAMPERS LIMITED ON STAY IN PARKS

Newton B. Drury, chief of the division of beaches and parks reported today that all campgrounds except Williams Grove, which was destroyed by floods, in Humboldt Redwoods State Park will be in operation for the 1956 camping season. Preliminary estimates indicate that the coming summer season will surpass last year's record breaking visitor attendance, which was 10 percent above that of 1954. This rate of increase has been consistant for the past several years.

Drury also stated that an effective solution to the problem of giving all park visitors an equal chance to use camping facilities is to impose time limits on the occupancy of camping facilities in the parks.

Accordingly, the following limits will be in force in certain State parks during the period of June 15th to September 9, 1956:

Ten day limit of continuous occupancy of facilities: El Dorado County: D. L. Bliss State Park; Placer County: Tahoe State Park; Placer and Nevada County: Donner Memorial State Park.

**NOTICE TO CREDITORS**

In the Matter of the Estate of VERNON C. SHATTUCK, also known as V. C. SHATTUCK, Deceased, No. 5669

NOTICE IS HEREBY GIVEN by the undersigned ERVINA M. SHATTUCK as Administratrix of the Estate of Vernon C. Shattuck, aka V. C. Shattuck, deceased, to the Creditors of and all persons having claims against the said decedent to file them with the necessary vouchers within six months after the first publication of this notice in the office of the Clerk of the Superior Court of the State of California, in and for the County of Nevada, or to exhibit them, with the necessary vouchers within six months after the first publication of this notice to the said Administratrix at the law offices of Crofford W. Bridges, 152½ Mill Street, in the City of Grass Valley, County of Nevada, State of California the same being place of business in all matters connected with the estate of said Vernon C. Shattuck, aka V. C. Shattuck, Deceased.

Dated April 25th, 1956.

Ervina M. Shattuck
Administratrix of the Estate of Vernon C. Shattuck, aka V. C. Shattuck, Deceased.
Crofford W. Bridges Attorney for Administratrix

**NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES**

May 3rd, 1956

To Whom It May Concern:

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Euer Valley, 10 mi. NW of Truckee, Nevada County

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance on original application of an alcoholic beverage license for these premises as follows:

On-Sale General
(Seasonal-Quarterly)

Anyone desiring to protest the issuance of such license may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages.

THE BEST OF RIDES— FOR FOLKS OR FREIGHT

# STRICTLY STRICKLAND

By Bill Strickland

Lets see now! The calendar says the second week of May, that's half way through spring isn't it? Well, I've been fooled before; so I dug out the side of the house to get to the shutters on the windows, opened them up and, yep, you could see without turning the lights on. Kinda nice with the sunlight cutting a swath across the floor. Showed up all the worn places in the carpet and the cobwebs on the ceiling beams, but, like I said, I've been fooled before. The next day the new snow slid from the roof, covered the windows again, sans shutters and the interior looks just like it did before. It was a real short spring. We should have known better, 'cause the same day we were digging the windows out; Bud Zorich had Glen Parsons come up with his Rotary Plow and clean out his (Bud's) roadway. Last year, if my memory serves me correctly, Bud had it plowed out three times after spring had arrived.

The FWSA Ski Instructors concluded a very successful convention a few days ago. They now have about 30 new members to assist them in their unified method of teaching. One of the candidates who made full certification was Jim Winthers of Sacramento. Jim has skied and taught on our mountain top for several years; so we were all very pleased with his success.

Brad Board has started building the second level of his house here at Soda Springs. He finished the foundations and garage last fall. It's a good thing he had those big 12x14 timbers in it, too. They carried the weight of about 25 feet of snow all winter.

Ronnie Rau, our junior ski champion, has been helping Charlie Secco string a new telephone line to Ice Lakes, so perhaps they will be open again this year for the fishermen and hunters.

Milt and Maggie Avila have returned to Big Bend after having worked all winter at Squaw Valley— Welcome back kids.

**CERTIFICATE OF FICTITIOUS NAME**

KNOW ALL MEN BY THESE PRESENTS:

That I, KENNETH H. FREDERICKSEN, Box 225, Truckee, California, residing at the East end of Donner Lake, County of Nevada, State of California, adjacent to U.S. Highway 40, do hereby certify that I am the sole owner and proprietor and doing business under the firm name and style of OIL CITY, a service station located near the East end of Donner Lake, Nevada County, California.

I further state I have no partners in this business.

IN WITNESS WHEREOF, I have set my hand this 7th day of May, 1956.

Kenneth H. Fredericksen

State of California, )
) ss
County of Nevada )

On This 7th day of May, A.D., 1956, before me, Letha Twitchell a Notary Public in and for said County and State, personally appeared Kenneth H. Fredericksen, known to me , to be the person whose name is subscribed to the within Instrument, and acknowledged to me that he executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal the day and year in this certificate first above written.

Letha Twitchell

# NORTH TAHOE

By JUDGE HARRY CHARRISON

**Fashion Show**

The North Tahoe Women's Club had one of the biggest meetings at the Tahoe Biltmore recently, no less than 170 attended. A fashion show was the big event, put on most delightfully by Jerry and Mrs Gordon of the North Shore Hardware and Department Store of Kings Beach. The modeling was done most beautifully by the following: Bette Robertson, Gwenn Mizner, May Critchley, Minnie Wagner, Florine Klitzke, Helen Ehlers, Marsha Graton, Diane Shaver, Jan Mandeville, Marilyn Bailey, Ruby Clackett, and Wilma Lucas. Margaret Christiansen and Camy Althof did a skit taking off on the Olympics. Bob Vernon, the manager of the Biltmore, did several numbers to the delight of the audience. A buffet was served before the show commenced.

**On The Job**

Just visiting with Clarence S. (Butch) Beavers. Butch was in the St. Marys Hospital in Reno, for an operation on his throat and was very happy to know that he has improved remarkably. He has returned to the real estate business and is doing well. He tells me that Ron and Sue Boies of Pineland have bought a lot near the Tahoe Tavern, and they might build on it in the near future.

**Another Lot**

Charles and Madolin Moseley have purchased the property west of their home on the highway for a parking space, next to their Gift Shop, in Tahoe Vista, where they have a very nice home. Chuck is in the house painting business.

**Pete the Greek**

One thing we are tickled about is that Pete Metropole is back as chef at the Buckhorn Inn. Pete is a pastmaster in the cooking business and he has been at that establishment for several years, and tells me they will have a grand opening in the very near future. Good news huh?

**Up for the Summer**

J. C. Jordan, casino manager of the North Shore Club at Crystal Bay, has arrived to get things in readiness for the opening some time in June. He is staying on the short cut by Leon Barker the insurance man.

**Busy Family**

Jack and Marilyn Boatman, sister of Barbara Mallery, and four children are now permanent residents of Kings Beach. Jack will be working at the Stop-'n-Shop. Ruth and Ronald West are also here for the summer. Ruth will be working at the Buckhorn with her sister Barbara. Marilyn will work at Gil's Barbecue. There's a working family for you; good for them, I sez.

**Community Meeting**

What do you know? There was a meeting of the North Tahoe Community Club last week, and I never knew it, like lots of others who would have been there. Too much business for most people to remember the regular night, but by the grape vine I hear there was a committee named to take care of our beach front and the approaches thereto, and that is all I can tell at the moment. Also that Mac Burroughs, Mrs. Cope and R. J. Mahoney are on the committee. President Fred Schultz presided.

**More Improvements**

I see they are rapidly tearing down most of the Bal Tabarin Club that too will have its face changed so that we shall hardly know it. With all of these brand new and up-to-date clubs it will never be necessary to travel around the lake or to Reno for entertainment. The Lake Tahoe Lions club together with other clubs from Reno, Carson and many others will meet at the New Crystal Bay Club on the 26th of May and should bring at least 200.

**Fishing**

Heard a conversation between Bake Frye and Ernie Crawford that fishing is now tops, and that some wonderful catches are being made. Ned Malla took a small party out and returned with ten beauties and they couldn't count the ones that got away.

**More Back**

Saw Ruth Stelzried the other day. Ruth has property on the highway, and lived here for a long time. Joe and Mrs. Dolce are also back. Hope we shall see them at Eugene's Chalet as soon as the season opens. Gene is real busy planning to open up his unique restaurant at Crystay Bay.

**Parking, Etc.**

The season is almost here, and the parking and other traffic problems will confront us, with no more room than last season. One solution is to walk up town or leave your car a couple of blocks from the post office, and those that are working around that area can park their cars on some back street. Give our visitors a break because we depend on their business. There should be a time limit outside the P. O. and then during the season do your shopping in your own community to give our business people a break.

**Bird Missing**

Oh where, oh where is my little bird gone, says little Scottie Campbell. He accidently let his pretty parakeet out of the house, and he says it was so pretty, blue grey and white and named fluffy. If you see it, take it back to Scottie, won't you?

**Out and In Again**

You will be glad to know that Johnny Schu is back with Joby Lewis' at the Monte Carlo, Johnny left for a while to go to the south end, but according to him you can not beat this north side of the lake —You said it Johnny.

**Great Guy**

Leland J. Propp, superior judge of Placer County, was up the beginning of the week. Had a nice visit. He attended the Brockway Rotary Club on Monday, and was speaker at the Tahoe City Rotary Club on Tuesday, and Wednesday we made a tour of the area telling people that he is running for the judgeship in June.

**Sunday Mail**

Well, I never did see anyone so happy as when I talked to Carol Howard, postmaster of Kings Beach, as she told me that mail was coming in on Sundays, and would leave here at 3:30 p.m. each day through the week. Wilma Lucas has been an assistant for some time, but now Thelma Liddle is in there part time and will be on full time very shortly. As I see it, we shall have very efficient service in the P. O. this year, as we have in the past.

**Grand Opening**

Charles Templeton, owner of the Buckhorn announces the grand opening of the inn on Friday, May 11th. You are cordially invited, come and get acquainted says Mr. and Mrs. Templeton. You will have the time of your life, and will meet your old and new friends.

Although Sebastian Vazcaino named San Diego Bay on November 12, 1603, 61 years earlier Cabrillo had named the bay "San Miguel."

**SUN ADS GET RESULTS**

Presidential proclamation declared the Civil War at an end on Aug. 20, 1866.

Massachusetts Bay General Court authorized the founding of Harvard College in 1636.

How Standard invested its money last year to meet your growing oil needs

**Exploration** for new oil sources cost $134 million. Standard Oil Company of California produced oil and gas from more than 8600 wells in the U.S., Canada and South America to supply your petroleum needs.

**New Refinery Units** to make higher octane gasoline took a big part of the $30 million we spent for plant improvement.

**Petrochemicals** for plastics and other new products; fertilizers and sprays for bigger crops, took a $20 million investment.

**Research** and technical services cost nearly $13 million. One result was a technique which promises to greatly increase yields from oil wells, helping conserve U.S. resources.

**Transportation Facilities** to bring our products from oil field to you were a $10 million item.

**New and Modernized Service Stations** from Alaska to Mexico cost $16 million, made Standard products more convenient for you.

*production-exploration refineries asphalt refineries Standard marketing area*

STANDARD IMPROVED its ability to serve you last year by investing $347 million for new production and distribution facilities and exploration. The rest of our $1⅛ billion income was spent on such items as wages and benefits for our 36,369 employees, supplies from more than 10,000 U.S. firms and crude oil from independent producers. We paid a $107 million tax bill, and our 119,793 stockholders received 7¢ of each dollar we took in as a return on their investment in the Company.

If you wish a copy of our Annual Report for 1955, write to—Standard Oil Company of California, Rm. 2153, 225 Bush St., San Francisco 20, California

*Petroleum progress means...*
**to keep pace with your needs, oil companies must invest $74 billion in new U.S. facilities by 1965**

1956 1965
*Demand for petroleum products will increase about 50% over the next ten years*

STANDARD OIL COMPANY OF CALIFORNIA
*puts petroleum progress to work for you*

# NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

### Rain Drenches Area

A brisk spring rain drenched the Tahoe region on Thursday night, turning to wet snow during the very early morning hours of Friday. With the sunrise, however, the snow vanished and the warm rain returned, and continued to fall lightly throughout the day. With the week end the new green grass on the meadows and the lake shore grew greener, the aspen and alder leaves continued to grow bigger, and the rain-water pools around the golf course became more populated with frogs that seemed to be trying to out-sing the spring birds. And there is no denying that the spring season still advances.

### At Tournament

Attendnig the spring golf tournament in Grass Valley on Sunday, and taking part in the game, were the following Tahoe citizens: Warren Porter, Allan Lewis, Jim Brehler, Bill Hunter, Ralph Bly, Bill Briner, Wm. Bechdolt, Mr. and Mrs. Robert Pomin, Mr. and Mrs. Floyd Carnell, A. M. Anderson, Joe and Marie Henry, Mr. and Mrs. N. R. Mayfield, Mr. and Mrs. Martin Spitsen, Mr. and Mrs. E. H. LePire, Mr. and Mrs. Denis Sack and Mr. and Mrs. Bill Conners. All of these are members of the Tahoe City Golf Club, and were guests of the Grass Valley Club over Sunday. On their visit that day they were served breakfast, lunch, and buffet refreshments following the game. The ladies of the tournament played nine holes in the game, after the men teed off on their second nine.

### Attend Meet

On Saturday, May 5th., Mr. and Mrs. A. M. Henry of this city drove to Reno to attend an Air Force Ground Observor's meeting given there for the benefit of ground observors throughout western Nevada and northern California. With the Henrys were their entire ground observor crew from Tahoe City including the following: Post Supervisor Marie Henry, Chief Observor Joe Henry, Post Observors Mrs. A. M. Henry Jr., with son and daughter Gary and Karen, and Mary Tabor Griswold.

### Program

The opening and dedication ceremonies of the Reno Air Defense Center were held from 10:00 a.m. Saturday to 5:00 p.m. in the State House Auditorium, and were attended by several hundred ground observors from various points throughout the west. Intervening at 2:45 p.m. was a short session of the Reno High School ROTC drill team demonstration which was followed by the ribbon cutting ceremonies which were held at the Air Corps Filter Center. Among special guests attending all the ceremonies were the governors and other leading officials from eleven Western states. The GOC Project Officer, Colonel C. Clarke was also among the guests. Refreshments were served to all members at the Filter Center throughout the day.

### New Motel

On the lakeshore in Tahoe City Herman Henke of Yuba City has started construction this week of an eighteen-unit modern motel. The site for the motel adjoins the Tahoe City Commons between the post office and the Swedish Farm House Cafe. He expects to have the motel completed and ready for occupancy before the mid-summer season opens. Henke is doing a lot of the most important work about the new place himself. He said that while he was in business in Yuba City he prefabricated all his own motel units. He said that within another year he expects to add to his motel units here a group of housekeeping cottages, which will be constructed along the southwestern side of his lakeshore property.

### Precipitation

Art Frodenberg, weather observor here announces precipitation for the week end storm here, with last measurements taken on Saturday, as 1.57 inches total for the two days. Last reading on the lake water showed it standing at 6227.71 feet above sea level, with all water gates closed at the dam. Still raining Sunday evening, with temperatures at 44 degrees.

### Spring Festival

On Friday evening many Tahoe City residents motored to the unified high school near Truckee where they enjoyed the presentation of the elementary schools' music festival. The big auditorium's seating capacity was packed to overflowing by parents and friends from all five of the unified communities.

The two hour festival, titled "Merry Yesterday" was run off in its various parts without a hitch, and was unanamously voted a delightful success from the tiny tots of the nursery school straight through to the well-trained fifth and sixth grade chorus who sang five popular numbers from the period of by-gone days. The Truckee Elementary fourth grade, taught by Mrs. Arlene Roth, put on a very beautifully costumed Easter Parade, illustrating the song by that title.

The illustrated singing part which drew a great volume of applause, and demanded a double encore was that presented by the second and third grades of the Tahoe Lake School, taught by Mrs. Lillian Farr of Tahoe City. This was the old popular song Peggy O'Neill. It was described by some of the audiance as being put on in "A most professional style", with 23 of the grades dressed in "little gentleman" suits, blue for the second and red for the third and with little Miss Susie Wright— daughter of nursery teacher, Mrs. Elaine Wright— doing the part of Peggy O'Neil to perfection.

### Women Meet

Last Thursday the Women's Club of Tahoe held their regular luncheon-meeting at Tahoe Inn, with thirty members and guests present. Mrs. Lela Kennedy, recently returned to her Lake Forest summer home, was a guest, and Mrs. Al Snyder of Lake Forest brought two other ladies as her guests. Mrs. Dorothy Archibald of Glendale was the guest of her cousin, Mrs. Louise Geier. The nominating committee turned in the names of nominees for election as club officers, and election will be held at next meeting on Thursday, May 17th. Nominations are still open.

### Study on Okinawa

Child-rearing practices on Okinawa were studied recently by a husband-wife team from Yale University. According to the 1956 Yearbook of The American Peoples Encyclopedia, the project was part of a Yale-Harvard-Cornell cross-cultural study of socialization.

### Physique Counts

Is success in military flying in any way related to physique? According to the 1956 Yearbook of The American Peoples Encyclopedia, a recent study of 3,675 young male air cadets, recent graduates, and successful combat pilots showed that there is a definite relation.

PARIS TAXIS, African river boats and Australian airliners run on gasoline produced by Standard's affiliates. Last year in addition to our Western operations, we* produced oil in 5 Eastern Hemisphere countries, processed it at 15 overseas refineries, supplied petroleum products to 67 countries outside the Iron Curtain. The result was a big boost for industry of Free World nations, conservation of U.S. oil reserves, and a higher standard of living for the peoples of many lands.

## Tahoe-Truckee School District News

**KINGS BEACH SCHOOL**

KINDERGARTEN AND FIRST GRADE: We have now two new girls in kindergarten. They are Mary Olinghouse, and Kathy Jones. Mary was with us previously.

Last week, Jay Bisio, Shari Decker, Wendy Howell, and Cathy Murray all brought flowers for the room.

We have a new play sink for our playhouse. The new sink makes dish washing such fun!

Kathy Chastain, Susan Clackett, Wendy Howell and Cathy Rockholm all received a new reader— On Cherry Street.

SECOND AND THIRD GRADES: Estelle Howell and Linda Bonney celebrated their birthday at school Friday. Estelle is eight years old and Linda is seven. Mrs. Bob Howell and Mrs. Katherine Wing worked together to make the party a success. Two games were played. Prize winners were: Loretta Barnett, Susan Graton, Darryl Lausche, and Arthur Waddell.

Cup cakes, ice cream, and candy were served at the close of the party.

Carol Franklin brought a boquet of wild flowers to school Monday.

The following girls attended the mother-daughter fashion show at the Tahoe Biltmore Monday night: Leta Laborde, Carol Franklin and Wendy Boatmen.

FOURTH, FIFTH, AND SIXTH GRADES: Tumbling is progressing at a good pace with the class now working on somersaults and backbends. Brad Thompson leads the class in handwalking with some five feet to his credit.

Larry Mandeville and Bud Robertson both celebrated birthdays with parties. Games and cake were the order of the day.

Diane Davis has returned to school to spend the summer here in Kings Beach.

**DONNER TRAIL**

Our fund raising party was a great success. We raised $217.55. This money will be used for the TTEA scholarship fund. We want to thank all the people of the area who came to the affair. We are happy to say almost 100 per cent of the people in the summit area were present and also almost 100 per cent of the business firms in this area contributed to the party. Thanks again to everybody.

**TRUCKEE ELEMENTARY**

KINDERGARTEN— John McGlade, Michael Kydd and Ken Brethauer were good drummers in our rhythm band this week. Linda Russell, Pamelia Horman and Eddie Anderson beat time with jingle clogs, while Phillip Risden wielded sand blocks. Karin Meixner, Pamelia Horman, Chris Kumle, and Ken Bretthauer took turns with the baton. Victor Moore, Susan Schuler, Kathie Hart, Jack Novak, Henry Frates, Wilbur Glenn, and Barry Waters developed original body rhythms to our music.

FIRST GRADE: We wish to thank Mrs. Englehart for helping us with our songs for the music festival. John Collier, Charles Collier, Timmy McLane, Twila Lee Barber, Gail Engleharet and Karen Hedlund planted flower seeds this week. They are keeping a day by day account of their growth.

SECOND GRADE: All the pupils of the second grade helped prepare costumes and streamers for the maypole dance for the music festival.

We are happy to have Robert Tuell from Colorado with us.

We thank Mesdames Wilson, Sturcke, Borden, Ayala, Nelson, and Cushing for giving us such a nice May party.

THIRD GRADE: The third grade is enjoying the three new albums won through the P.T.A. "Thank You", Parents.

Folk dancing is done during the recess and P.E. time, when weather doesn't permit outside activities. However, most of the time we have been able to practice the maypole dance in the yard. All the pupils have been helping prepare costumes and streamers for the Music Festival.

FOURTH GRADE: Fourth grade students worked hard on their songs for the spring festival.

Evelyn Hintz has been in charge of decorating our "doll buggy".

Wilana Curran, Toni Hallett, Liane Kay and Diane Cardinal were the "little girls" in Oh, You Beautiful Doll. Dick Ingalls was our "doll".

FIFTH GRADE: Music festivals by fifth grade students were: "Take Me Out to the Ball Game", "Down By the Old Mill Stream" and "There Was I".

People in the two part harmony groups were: Soprano group: Dennis Whiteneck, Janice Roth, Kathy Curran, Secorra Marroquin, Virginia Barnes, Ellen Patnoude, Pamela Rose, Janice Eaton and Gary Brines. Members of the Alto group were: Joe Parkhurst, Patsy Jensen, Jerry Kirby, Kittie Ellis, Shirley Ellis, Shirley Patton, James Grady, Helen Kohl, Gene McGihon, Mary Anne Miller and David Pankoke.

Juaquin Fuentes won first in the poster contest sponsored by the Masonic Lodge. The subject of his winning poster was "At School-We Learn to Read".

Robert Critchley of the Truckee Lodge presented Juaquin with a check for two dollars at the Truckee Elementary School open house on April 29th.

SIXTH GRADE: Kathleen York led our class in its performance at the music festival. Jimmy Osburn played the part of Casey in the poem "Casey at the Bat".

Our May officers are: Barry Leamon, president; Charles Glenn, treasurer; Dana Hamilton, vice president; and Dorette Rose, secretary. These officers will serve for the remainder of the year.

Julia Fuentes has volunteered to make colored fascimiles of the Latin American flags as we study them.

**FAREWELL PARTY**

KINGS BEACH— Father Patrick O'Neill who will soon leave for a trip to Ireland will be given a farewell party on Tuesday evening May 15th at 8 p.m. in the Monte Carlo at Crystal Bay, Nev., with Helen and Joby Lewis as hosts.

A buffet supper will be served and all the friends in the region of Father O'Neill will be cordially welcome to attend the bon voyage party.

Charles Beardsley is opening his business at Tahoe City coming from southern California for the summer months.

# Washington News

By Congressman Clair Engle

This past week I introduced legislation which has been referred to my committee making funds available for recreational facilities in the forest lands on the public domain, as well as provision for adequate safety, sanitation, and health measures and improvement and maintenance of wildlife habitat. There has been a mounting demand for this type of legislation over the past several years. A number of bills, including one of my own, have been pending for the last four sessions in the house committee on agriculture, but no action has been taken.

Last summer the committee on agriculture sent a special sub-committee throughout the far west to study the problem of recreational facilities, campsite areas, etc., in the national forests. That sub-committee travelled through major parts of my district, stopping at Redding, Quincy, at Lake Tahoe, and traveling down the Sierras to Yosemite. However, the committee on agriculture has not been able to get around to acting on the legislation.

**Funds Earmarked**

The new bill I have introduced, which is coauthored by eleven other members of the house are three members of the senate, follows the same general format of the legislation pending before the committee on agriculture— that is, a portion of the revenues from these forest lands will be earmarked for appropriation annually for recreational development. My bill calls for three and a half million dollars and applies to forests administered by the department of the interior. It is expected, however, that this legislation will be broadened to cover both interior department lands and those of the national forests created out of the public domain administered by the department of agriculture. The bill we drafted to apply initially to lands supervised by the interior department in order to have the legislation referred to my committee.

**Senate Bills Broader**

The bills introduced in the senate are broader and include the national forests, because the senare rules permit reference of the bill to the senate committee on interior notwithstanding that lands under the department of agriculture are also involved.

We are in hopes that the new legislation will get this much needed program off dead center, and provide the basis for action before this session of Congress adjourns.

## LOANS FOR VETS IN STATE BOOSTED AS BILL IS SIGNED

SACRAMENTO —(CNS)— Gov. Goodwin J. Knight announced he has signed legislation increasing the amounts California veterans may borrow from the state for construction of new homes or financing of existing homes.

At the same time, J. Marvin Russell, state director of veterans affairs, announced his department's plans for administering the new law until the voters have a chance to vote on a $500,000,000 bond issue on the November ballot to finance the stepped-up program.

The approved legislation, AB 2 by Roy J. Nielsen of Sacramento, will go into effect July 5th. It increases the amount veterans may borrow on new homes from $8,500 to $13,500, on existing homes from $8,500 to $15,000, and on farms from $15,000 to $40,000.

The bill also removes the present $17,000 ceiling on value of homes which may be purchased under the state program.

Russell said the larger loans authorized by the new law will be held initially to $10,000 for homes and $20,000 for farms until adequate financing of the program is approved by the people.

Russell said the loan program is now dependent on $85 million from bonds authorized in 1954 but not yet sold.

The director said the department is authorized to increase the loan limits in $1000 stages for homes and $5000 stages for farms when available funds and processing facilities permit.

Russell said about 1,400,000 California veterans are eligible for 20-year loans at three percent interest under the program.

No extension of the 20-year repayment term is planned, Russell said, and veterans requesting larger loans should be prepared to pay about $5.55 for each $1000 they borrow.

## Catchable Trout Size To Be Enlarged For This Year's Planting

A new trout policy, defining the term "catchable trout" as those fish 7½ inches long or larger and weighing 4 to 6 fish per pound, and setting down rules for planting, was adopted at the April meeting of the Fish and Game Commission in Sacramento.

At the same time the commission tabled a proposed pheasant policy, and will act as a committee of the whole to make public a revised policy in September. A public hearing on the matter will be held in October.

The Commission ratified a revised agreement with the State of Nevada for taking cutthroat trout eggs at Heenan Lake in Alpine County.

Under the new management California will operate the egg-taking station until one million eggs have been taken. The Nevada technicians will take over until they have taken 750,000 eggs is available.

Division of the remainder will be agreed upon by the two states. Formerly Nevada operated the station and took the majority of the eggs, but increasing demands in California for cutthroat plantings made the revision necessary.

Approval of Department of Fish and Game requests for withdrawal of public lands for wildlife management purposes was given. Six areas with a total area of 129,000 acres are involved. Largest are on the west side of the San Joaquin Valley, in the New Idria and Temblor areas. Others are Biscar Reservoir, Lassen County, Hayfork, Trinity County; and Goat Island, Shasta County.

Commissioner Andy Kelly of Los Angeles was authorized to represent the commission at the meeting of the Western Association of State Game and Fish Commissioners in Vancouver, B.C., June 6 - 8.

## Watchmen Not Classified As Officers By State

SACRAMENTO —(CNS)— Attorney General Edmund G. Brown today ruled that private patrol operators and watchmen are not peace officers.

Brown held, however, that such persons may wear badges.

Private patrolmen and watchmen are limited to guarding property which they are hired to protect, Brown said.

## TRACK TEAM FAILS TO PLACE AT MEET

Tahoe Truckee's track team got shut out last Friday, in their first appearance in the annual Western Nevada zone meet held in Reno. Competing in the "A" Division of the meet, the Wolverines were not strong enough to gather any points, thereby not qualifying anyone for the state meet to be held in Elko on May 12th.

Reno High School won the "A" crown, scoring 68½ points to easily outdistance the second-place Sparks Railroaders, who finished with 42 counters. Other teams entered were Carson City, 18 points; Yerington, 10½; Hawthorne, 10; and Tahoe Truckee, Stewart, and Fallon, scoreless.

Fernley walked away with the "B" Division championship with a total score of 74 points to lead South Tahoe, who finished with 43. Dayton and Smith Valley followed with 15 and 14 points respectively.

Team members competing for the Wolverines included weight men Tom Sheehan and Ken Lavery; and runners Doug Wilson, Erwin Single, Bob Trask, Bennett Biggs, Barry Graton, Fred Schultz, Jim Crawford, Jim Hutchins, Ken Osburn, and Kermit Norris. This was the final meet of the season for the Wolverines.

Coach Jim Brehler announced the following men were letter winners for track: Jim Crawford, Ken Osburn, Erwin Single and Doug Wilson.

The only interscholastic event left on the calendar for the Wolverines is a practice tennis match set for Friday, May 18th, with the Lassen Grizzlies on the Tahoe Truckee High School courts. The local squad has not been announced as yet, but try-outs are now in progress at the school. Also to be concluded before the end of school is the intremural softball tournament, and a forth-coming badminton tournament.

## Recording Surprise Is Tahoe Rotary Feature

KINGS BEACH— Due to the absence of President Bill Randall, the regular weekly meeting of the Brockway Rotary was presided over by Vice-President Pappy Brooks. Responding to the call for visiting Rotarians the following responded: Don Snyder, Ernie LePire, Bill Wilt and Clay Ditz all of Tahoe City.

Visitors present were Superior Judge Propp of Auburn and our local judge Harry Charrison; Joe Greggerio guest of Ray Ehlers and Wes Beuton guest of Mex Springer. Leon Barker, a former member of our club was welcomed back into membership. With the return of Leon our membership now numbers 37.

Hank Dodd, program chairman, presented "Genii Abdullah" in Voices from the Past. This was a surprise to everyone, as it was a recording of a meeting at which a liars contest was held and which no one knew had been recorded.

Also on the program was a film, of "The Kind of Music You Want".

Ladies Night will be held on May 21st.

STOP
EMERGENCIES

You *stop* winter emergencies when you use *RICH-HEAT* Heating Oil. Because it's the cleanest, most trouble-free oil you can buy! Fuel lines, filters and burners stay clean all season long... so actually save you money.

## Immunization Boosters Delayed For Children

During the recent school immunization programs the diphtheria and tetanus injections were not given to children over the age of ten because of the following information received from Dr. Ruth Moldenhauer, health officer for Placer County.

"Children should receive immunizations in infancy throughout pre-school life and when necessary, during early school life. If they receive these immunizations, they should develop sufficient immunity so that additional boosters are not required," the doctor declared.

"Children over the age of ten may have rather serious reactions from the routine use of diphtheria immunizations. Therefore, we do not recommend such immunization except on intimate exposure to the disease. In these cases, it should be done in a physician's office where the proper tests for sensitivity can be carried out."

## *Tahoe Items*

Tom Sutton of Kings Beach was a Sacramento visitor on Friday.

Ernest Hoerdler came from Covina last week to greet his friends of many years at Tahoe City.

The Edgar Myers are moving from Reno to spend the summer at Homewood.

Mr. and Mrs. N. R. Avila have moved from Squaw Valley to Soda Springs.

J. H. Stephens wrote from Petaluma that the family is arriving for the season at Kings Beach.

### CHURCH NOTES

**Family Night—**
Rev. Osman first wishes to announce that due to the conflict with high school band concerts, the Family night originally scheduled for this Friday, May 11 will be re-set a week later on May 18th.

**MYF And Mothers Day—**
This Sunday evening beginning at 5 p.m. there will be a potluck supper in honor of the mothers of our young people.

**New Members Baptized—**
Joyce Slate and Sharon Tremayne were baptized and brought into membership of the church in a special service last Sunday.

**W. S. C. S.**
The regular meeting of the Women's Society of Christian Service will be held Wednesday, May 16th, at 1:30 p.m. at the church. Mrs. Roy Slate, Mrs. Eugene Risden, and Mrs. Harry Barnes are in charge of the program on the area of Stewardship. During the business meeting there will be an election of officers for the next year. Following the meeting the refreshments will be in charge of Mrs. Wilbur Glenn.

**Every Member Canvass—**
Announcement has been made by the Rev. Wesley H. Osman that a campaign which will reach all members and close constituants of the local Methodist Church is now in progress.

The object of the campaign is to better acquaint the members with the work of the church and to give each one an opportunity to share regularly in its work in the missionary outreach as well as in the local responsibilities.

Cuba is the second largest producer of sugar in the world.

PROPERTY OWNERS ATTENTION

County assessors will be at the Truckee Justice Court Office from 9 a.m. to 1:30 p.m. from

Tuesday, May 15 to
Friday, May 18

to answer any questions regarding your property assessment.
Veterans who have not already done so, may apply at that time for their exemptions.

UP DER TREE, NAPOLEUM, UND DON'T ASK SO MANY QUESTIONS!

HOW ABOUDT ME RIDING? IT VOS MY IDEA UND MY APPLES, REMEMBER!

TUT, TUT, DOLLINK! VARE ISS YOUR PHILOSOPHY?

"A BOID IN HAND ISS VORT' TWO IN DER BUSHES" AS SAYS DER POET! GIDDYAP!

DA RED PEPP'? BUT YES! SHE ARE MOS' EXTREME HOTSKY-TOTSKY!

A NICE FAT VUN, PLEASE!

TRY DISS ON YOUR SPEEDOMETER, MR. PHILOSOPHER!

TELL HIM A POEM, PROFESSOR, MIGHT BE DOT COOLS HIM OFF!

WHOA!

YOU'RE MAKING A **SWIMMING POOL?! BOY!** I'LL GO HOME AND GET MY TRUNKS!

COME HERE!

WHEN THEY PUT THIS IN THE LOCAL PAPER, IT'LL SAY **JUGHEAD POURED!**

I ALWAYS GET THE HARD JOB!

GLUB!

NOT ON **ME!** YOU **NINCOMPOOP!**

WAIT'LL WE GET OUR OWN **SWIMMING POOL** FINISHED! WHAT FUN!

WAIT'LL YOU GET YOUR **WATER BILL!**

**JUGHEAD!!** DID YOU WALK THROUGH HERE?!

WELL, I COULDN'T VERY WELL **SWIM,** COULD I?

**THERE!** WE'LL PUT THE LADDER IN TOMORROW WHEN IT'S HARDENED!

I WAS JUST GONNA PUT MY INITIALS...

I DON'T **WANT** YOUR INITIALS! GET **AWAY** FROM THERE!

Next Morn.

WELL, COME ON! FILL THE POOL WITH **WATER** AND WE'LL TAKE A MORNING **DIP!**

© 1956, Archie Comic Publications, Inc.

I THINK WE OUGHT TO DO A LITTLE CHISELING FIRST!

**ARCHIE!** DON'T TELL ME **JUGHEAD** WROTE HIS NAME IN THERE!

Distributed by King Features Syndicate.

IS ***THAT*** WHAT'S **HARDENED** INTO THE CEMENT?

NO, IT'S....

...OUR **DOG,** TWO **CATS,** A **SKUNK** AND THE **MILKMAN!**

ON MOTHER'S DAY I DECIDED YOU SHOULD REST AND RELAX FOR A CHANGE!

*TOM!* HOW **WONDERFUL!** DOING NOTHING FOR A DAY IS THE BEST GIFT I COULD HAVE!

HAPPY MOTHER'S DAY, MOM!

HERE'S YOUR PRESENT!

?

WHY, HOW *NICE* OF YOU—!

GOODNESS—IT'S **HEAVY!**

I HOPE YOU DIDN'T SPEND TOO MUCH MONEY——

?

IT WAS 'SPENSIVE BUT WE WANTED TO GIVE YOU SOMETHING EVER' BODY LIKES!

FLOUR...EGGS...SUGAR...! WHAT AN **UNUSUAL** PRESENT—! HOW DID YOU EVER THINK OF **THIS**——?

?

# CURLY KAYOE

by SAM LEFF

THERE'S THE MOST USELESS SLAVE IN ALL HISTORY!

ZZZ URP ZZZ

WELL, AT LEAST HE DOESN'T **EAT** WHILE HE SLEEPS!

WHY DON'T YOU BLOW THAT WHISTLE AND JUST COMMAND LITTLE ABDULLAH TO GET LOST, CURLY?

THE ONLY WAY I CAN GET RID OF HIM IS TO **SELL** THIS WHISTLE. WOULD **YOU** LIKE TO BUY IT, HAPPY?

**NOT ME!** I COULDN'T AFFORD TO FEED HIM. LISTEN... SOMEONE'S AT THE DOOR!

I HAVE TRACE A CERTAIN WHISTLE TO YOUR HOUSE - I WISH TO BUY IT.

**WHAT?** IT'S YOURS! **NAME YOUR OWN PRICE!**

YOU KNOW THE POWER OF THIS THING AND YOU STILL WANT TO BUY IT.

**YES!** LITTLE ABDULLAH IS MY HUSBAND! HE JOINED THE DELEGATION OF OUR COUNTRY TO THE UNITED NATIONS **TO GET AWAY FROM ME...**

I HEAR THY CALL, O, MASTER! I AM THINE TO COMMAND... **OH, NO! A THOUSAND-AND-ONE TIMES N-NO!**

Tm. Reg. U. S. Pat Off.—All rights reserved
Copr. 1956 by United Feature Syndicate, Inc.

**WE** ARE WAITING, LITTLE ABDULLAH, DEAR!

**W-WE?**

**HA-HA!** NOW HE'S REALLY GONNA HAVE TO BE A SLAVE SO HE CAN SUPPORT HIS BROOD!

THY SLIGHTEST WISH IS MY C-COMMAND... O, MISTRESS MINE *(GULP)*

5-13
